## Big Pumpkin

by Erica Silverman

Once there was a witch who wanted to make pumpkin pie.

The pumpkin was stuck! She pulled hard, but that pumpkin just sat. "Drat!" said the witch.

Who can pull the pumpkin off the vine? The ghost tried.

The vampire tried.

The mummy tried. But that pumpkin just sat!

Just then, along came a bat. The bat had an idea.

Everyone worked together and pulled the pumpkin right off the vine. Hurray for the bat!

Now we can have pumpkin pie!
