

A "Classy" Date

materials needed:

pencil & paper
stuff for carmel apples
old college textbooks

the plan:

- write a quiz (true/false, multiple choice/essay) about your childhood, wedding/anniversaries, first date, or "favorites". Give your quiz to each other to fill out- then switch back to correct!
- search college textbooks and find phrases that describe each other.
- make carmel apples

additional ideas:

- grade report cards on various aspects of home life and your relationship.
- each person finds a meaningful topic and teaches it
- play with my old teaching manipulatives
