

Virtual Date

materials needed:

cell phones
computer
geeky movie
pizza delivery website

the plan:

- text the entire time on the date- no talking to each other!
- order pizza online
- play 2 player games on the computer, phone, and/or gaming console
- watch a geeky movie

additional ideas:

- play "Go Fish" while communicating via text messaging
- one person finds & texts the directions for making a treat while the other person makes it
